Join us as we kick off our 2020 spring semester of Osher at JHU with a very special Valentine’s Day event. At 10am, Osher faculty member Ann Wiker will briefly explore *The Art of Romance* on a day when we celebrate love. What defines Valentine’s Day in art history? For Picasso, it meant keeping a bloodied glove worn by Dora Maar. For Frida Kahlo, it meant marrying your man, divorcing him and marrying him again. For Salvador Dali, it meant signing your paintings with the name of your wife. In honor of this “day of romance”, we will explore some of the most famous relationships in art history. Vincent Van Gogh once gave artists the following advice: “**The more I think about it, the more I realize there is nothing more artistic than to love others**.”

At 10:45am, the Johns Hopkins University **Vocal Chords** will perform, and answer questions from Osher members. This co-ed 17 member a cappella group are known for their group dynamic and outstanding musicianship. The **Vocal Chords** sing a wide variety of genres including pop, indie, classic rock, country, and even electronic. Additionally, each year they compete in the International Championship of Collegiate A Cappella (ICCA) competition.

Coffee and a special Valentine’s Day treat will be available beginning at 9:30 a.m.

Please return this form for the **Valentine’s Kickoff Event** by February 7, 2020 to the Osher office at JHU, 9601 Medical Center Drive, Rockville, MD 20850.
