

## CHANGE OF PROGRAM / CONCENTRATION

As an Advanced Academic Programs' student, you may request to change from your current master's degree or graduate certificate to a new program by following steps 1 through 4 below. If you seek to only change or add a concentration to your current master's degree, please follow only step 1 and step 4:

1. Complete this form.
2. Prepare a new Statement of Purpose and an updated résumé.
3. Compile any additional admissions materials related to the program you wish to enter that you would not have previously submitted. For example, if the new program you wish to pursue requires a writing sample, but your current program did not, you must submit a writing sample.
4. [Create a support case](#) and attach all Change of Program (or Concentration) documentation.
